

1959 Rivesaltes - Domaine Rosa Vila

EB91

Die südfranzösische Antwort zu Port: 100% Grenache, gespritet und gereift; ein Wein größter Komplexität, Kraft, Balance
- eine wahre Rarität!

Just a handful of wines can stand the true test of time, lasting--in fact improving--for more than 50 years in the bottle. Rivesaltes is southern France's answer to Port, and it is just such a wine. This 1959 was made by Marcel Vila, who died some time ago. Fortunately his widow, Rose, keeps the tradition alive at this estate, and releases her family's wines at the most opportune time. 100% Grenache, fortified and wondrously sweet while retaining balance and complexity. Spice notes mingle with dried citrus and berries. This would make a killer birthday bottle. And at this price, it really is a rare, rare steal!
